

## **Method Statement – Children’s Pamper Parties**

### **Overview**

This method statement outlines how Dazzling Pamper Parties safely delivers children’s pamper parties for children aged 4–12 years at homes and hired venues.

### **Preparation**

All products and equipment are checked before arrival. Only child-safe, non-toxic products are used. Parents are asked to disclose allergies in advance.

### **Set-Up**

The party area is checked for hazards on arrival. Equipment is positioned safely, and walkways and exits are kept clear.

### **Delivery of Activities**

Activities are explained clearly and adapted to suit the age group. Children are supervised at all times.

### **Hygiene**

Hands are sanitised before activities. Tools are cleaned between children. Single-use applicators are used where possible.

### **Behaviour Management**

Clear rules and boundaries are explained at the start. Positive behaviour is encouraged.

### **Safeguarding**

Children are never left unattended. A responsible adult must remain on the premises throughout the party.

### **Emergency Procedures**

A first aid kit is available. Parents are informed immediately of any incident. Emergency services are contacted if required.

### **Pack Down**

All equipment is cleaned and packed away safely. The area is left clean and tidy.
